COVID-19 Parish Response Update **3/19/20**

We have been informed that a parishioner has tested positive of the coronavirus. That parishioner was last seen on our church property on March 4th. If you exhibit coronavirus symptoms like a fever or cough, please call your primary physician.

As a result of this information and being proactive in response to the Coronavirus, this Tuesday, March 17th, our church, meeting halls, and school building have already undergone a deep cleaning and sanitization, with approved disinfectants, following guidelines issued by the Center for Disease Control and Prevention. Our Academy is professionally cleaned on a regular basis and will be professionally cleaned and sanitized this weekend (March 21/22).

The health of all the faithful of our parish is of our utmost concern, so let us continue to pray to the Lord Who is a healer to protect us and bring about quickly an end to this present crisis through the intercession of His Mother Mary under the title of Our Lady of Lourdes.

We are trying to modernize and improve our means of communication that will make it much simpler for you to get the information that you need. Just take a couple minutes to sign up and it lets you receive email or text messages from Holy Family Parish. Your info is kept totally private. So, from your phone:

Text HF11366 to 84576

Then after it texts you back, make sure you click that link and complete the process.
